## Trinity Hall bookings

Dawn Wales now manages the bookings for the Hall at Trinity. So, if you wish to use the hall, rooms, or church for any church activities that you please check with her first for availability. (ph 4781450-home or 4786806-church office) There are many groups that use the Church facilities during the week or evenings, and we need to bear this in mind. At the same time we welcome the use of the Church and its facilities by members. Thank you.

*Dawn Wales*

## "10 minutes on a Tuesday" & "Resource Leadership"

The Methodist Church eMessenger has started emailing a weekly resource for preachers and worship leaders.

Each Tuesday (though they are now trying to distribute it earlier) an email with lectionary based ideas and resources will be circulated by Andre le Roux as part of the Refresh Ministry. Just 10 minutes of reading to get your creative energy going for the Sunday that lies ahead.

Also, Mission Resourcing was asked by some people to provide resources for use at Leaders and Parish Meetings. Last month they distributed a reflection on God's question to Adam and Eve, "Where are you?" This month they reflect on God's question to Moses, "What is in your hands?"

Both are a great resource for the new worship leaders/preachers. If you would like the Parish Secretary to forward this to you weekly or as a one off, (email or on paper) please let Dawn know on [ecbmethodist@gmail.com](mailto:ecbmethodist@gmail.com)

We are looking for musicians and singers for our Northern Bays Combined Churches Good Friday service. Anne-Marie from Browns Bay Presbyterian church will once again lead a music team for our service but is looking for folk to participate and help. Please contact Anne-Marie for more information on [anne-marie@easybooktours.co.nz](mailto:anne-marie@easybooktours.co.nz) She still needs 6 singers (4 women, 2 men), and musicians who can play a Bass guitar, Rhythm guitar (maybe 2), Drums, Keyboard, Viola, or Flute. So if you know of anyone, please advise.

## **Congregational Meeting**

In April this year we plan to appoint a Ministry Support Team to ensure the effective continuation of the ministry of the parish. Each team member will, in turn, have a team working with him/her. This Tuesday 9 March at 7.30pm at Trinity we have a parish congregational meeting to decide on the composition of the Parish's Ministry Support Team. Back in November last year the Parish Council produced a draft document suggesting a team of seven with associated job descriptions. This document is available from the foyer and will be the basis for our discussion. I will also raise the suggestion that there could be additional team members who take specific responsibility for ministry functions in the All Hallows congregation.

The new Ministry Support Team will replace the present Leaders Meeting. A final Parish Leaders Meeting will be held at 6.30pm at Trinity on Tuesday 16 March.

*Rev Andrew Gamman – Parish Enabler*

### **Trinity Methodist Womens' Fellowship**

Trinity Methodist Womens Fellowship will discuss this years Project which is "To help the Youth of Nicaragua" The meeting is at 1.30 pm on Wednesday 10 March - everyone is welcome.

*Dorothy Sparke*

### **Campbells Bay Outreach**

Andrew reminded us of our parish vision last Sunday – Representing Christ and serving the community. Campbells Bay Residents and Ratepayers have arranged a public meeting in All Hallows Church Hall on Wednesday 10 March at 7.30pm on "Improving Our Neighbourhood". Along with John Brockies, NSCC CEO, Rebecca Harrington, Community Development Worker with Lifewise and Takapuna Methodist, will be speaking. If you haven't met Rebecca, now is the perfect opportunity. This meeting provides an ideal opportunity for All Hallows congregation to review their involvement in serving the local community without committing to major programmes. Working with others in the community can be a very effective way of optimising value for effort. Is there scope to work with Rebecca in our community? You are encouraged to come and listen and think.

*Max Thomson*

### **Jubilee Books**

The majority of the books that were requested have either been picked up or distributed.

There are still a few books left and anyone requiring one should contact Trevor Turner on 476-3353 or email at [trevanne@actrix.co.nz](mailto:trevanne@actrix.co.nz)
